Ms. Shannon's, Ms. Rachel's & Ms. Savannah's Class

Can you believe it's the last week of school? This year has flown by!! We have enjoyed watching your children grow this year! It is so hard to say goodbye to our older toddlers as we send them on their way to their new classes. I am always so excited to see how much our younger ones grow over the summer and see them come in and take over as the leaders of the classroom. Thank you again for a fabulous year and for all your support!

Unfortunately sickness is still plaguing our classroom. Please keep an eye out for pink eye, stomach virus, and hand, foot, and mouth disease. Remember all of these are symptom free for 24 hours with no medication before your child can return to school.

I'm hoping the weather cooperates for this last week of school! We will have a few fun days to celebrate the end of the year. On Tuesday, we will play with our parachute and bubbles. We will also have snow cones.

We will have a water/swim day on Wednesday. We will have inflatable pools and water tables for the children. If you have a small pool that we can borrow please let me know. We usually try to get a few of the hard plastic ones for the little ones. Kids should come in ready to get wet. Please make sure to send in a bag with a change of clothes and towel. If your child still wears diapers, please bring them in a swim diaper and send in extras. They can come in crocs or water shoes. Make sure to apply sunscreen before they come to school. If the weather does not cooperate we will either do sprinklers instead of pools or a movie. Please send in a picnic lunch, such as a sandwich and chips.

On Thursday, we usually do a cleaning day. We scrub the chairs and tables with soapy water to get ready to close the classroom down for the summer. Kids should come in ready to get wet. Please make sure to send in a bag with a change of clothes and towel. They can come in crocs or water shoes. We will celebrate Molly's birthday with a special lunch.

On Friday we will have a field day with games. We will have bean bag balance, tennis ball toss, and limbo. We will also do face painting. Dev's family is sending in a special snack that day.

Friday will be a half day. We will dismiss at 11. Please send in a large bag by Wednesday so that we can send all of their belongings home with them on Friday. If you are not planning on attending that day please let me know.

Another year has come to an end! Thank you all so much for the privilege of educating & caring for your children. Even with all the challenges, I have enjoyed this year tremendously. It is always a joy to witness the miraculous process of a child grasping a new concept for the first time and experiencing their feelings of success. I hope everyone will continue their educational journey throughout the summer by exploring the wonders of the world around you and taking quiet moments to experience the delight of an engaging book.

Please remember, this Thursday students need to be dropped off at Shorter University at 8:00am. We will meet for graduation practice in the chapel. Practice will be over at 10:45 and all students will need to be picked up. After practice students are welcome to go home for the day to rest before graduation in the evening. Third year students need to return to Shorter University by 5:45pm for pictures.

3rd year girls should wear a white dress to graduation. 3rd year boys should wear khaki pants, a white button-down shirt, and a navy blazer. All other students should wear special occasion clothes.

Friday, May 27th, will be the last day of school. It is a half day and students will need to be picked up by 11:30am. We are hoping to use the playground for fun field day activities if the weather cooperates. Please ensure your child is dressed in clothes they can get dirty.

Information regarding summer homework will be coming soon.

Have a great summer!
