**I was left at the Game Night/Sleepover on Friday, March 1<sup>st</sup>. Please contact the Office if I belong to your child!**

*Ms. Ginny's and Ms. Kelly's Toddler Class*

March is here and we are enjoying our study of the farm! The students are looking forward to having Cook Farm come visit with the animals later during the month.

Thank you all for scheduling conferences! Reminder to turn in reenrollments packets which are coming home this week.

There will be no lunch needed on Wednesday, March 13<sup>th</sup>. We will celebrate Gordy's 3<sup>rd</sup> birthday with lunch (pizza, veggies, applesauce, and cupcakes) provided by his mom and dad.

Ms. Ginny

### *Ms. Shannon's, Ms. Kristin's, and Ms. Rachel's Toddler Class*

The students are loving learning about the farm this month! Everyone is looking forward to welcoming Cook Farm on Thursday, March 28<sup>th</sup> to round out our study of the farm this month.

Thank you to everyone who has come in for our Spring conferences. If you have not yet met with us please contact us to schedule your conference.

Reenrollment packets are going home this week. Contact the Office with any questions.

There will be no lunches needed this Friday, March 8<sup>th</sup> and Monday, March 11<sup>th</sup>. We will celebrate Tessa's 3<sup>rd</sup> birthday on Friday and Emerson's 2<sup>nd</sup> birthday on Monday with lunch provided by parents on both days. We look forward to celebrating them!

Ms. Shannon

### *Ms. Angie's, Ms. Karabeth's, and Ms. Ribar's Primary Class*

March is off to a great start and we are looking forward to fantastic month! Thank you to all parents who came in for a conference so far. If you still need to schedule your Spring conference please let me know.

Reenrollment packets are making their way home this week. Please contact Ms. Jamie if you have any questions and remember to submit all paperwork before Friday, March 22<sup>nd</sup>.

The rain has kept us inside the last couple of days. Please remember to label all loose items, including umbrellas and raincoats, so we can make sure everything is returned to your child at the end of the day.

Ms. Angie

### *Ms. Ortrud's, Ms. Camela's, and Ms. Trudy's Primary Class*

Dear Parents,

It was good seeing most of you last week for Parent/Teacher conferences. It is an important part of our school year. If you were not able to make your appointment please reach out to me to schedule a new one.

I would like to ask for some help from all you gardeners. I am looking for two volunteers to help me organize our annual Gardening Day. If you like gardening and would like to help us make our outdoor area beautiful please let me know. Thank you in advance!

Also - Please remember to check the flower list for your turn to bring 2 bouquets.

Ms. Ortrud

### *Ms. Robin's, Ms. Dolores's, and Ms. Rana's Lower Elementary Class*

This week we've completed our Antarctica studies and are now researching reptiles. We had a fun lesson about writing procedures for science fair projects. Science fair procedures are due tomorrow, March 7th.

Thank you all for attending conferences over the past few days. We have enjoyed seeing all of you!

Ms. Robin, Ms. Dolores, and Ms. Rana

### *Ms. Kathleen's Upper Elementary Class*

Dear Upper Elementary Families,

The month of March is all about science. To that end, we are continuing our studies on the parts and function of the respiratory system of the human body as well as its common diseases. In zoology we have shifted our attention the vast group of animals in the phylum Arthropoda. In geography we have concluded our studies of the atmosphere and hydrosphere and began looking at the lithosphere and all its various components.

We are making great progress on science fair projects in class. We hope that your kiddos are excited to begin constructing their models and testing their hypothesis. Designs should be completed by next Monday, March 11<sup>th</sup> so adequate time may be given to trials and testing. Additionally, if you have any trouble finding a black tri-fold board Ms. Stephanie Paredes can provide one for \$3.

Thanks as always for your help and support!

Ms. Kathleen
