Ms. Ginny's & Ms. Stephanie's Toddler Class

I just want to thank all you parents for coming and providing a great lunch for our International Day! I think it went very well and I was so proud of our children for being able to stand up in front of you all and count in Spanish. It was so big of them!

We will now put Mexico behind us and finish out February learning all about nursery rhymes . We will read and sing all the favorites and also talk about rhyming words. We continue weekly working on grace and courtesy.

Remember that 2nd year toddlers will begin visiting primary classes Wednesday the 18th. They will be taken there at 8:30. Please, please have your child to school on time. Visiting will run through February 27th.

Please remember our drop off time is 8:15 - 8:25 and our pick up time for dismissal is 2:15 - 2:25.

Thank you all for everything you do!!

Ms. Ginny & Ms. Stephanie

Ms. Shannon's, Ms. Kristin's & Ms. Kelly's Toddler Class

This week, we are starting our nursery rhyme unit. Yesterday we had a lesson on rhyming words. I put together a basket with different objects that rhymed for them to match, and it's something you can do at home for fun. Some of the objects that I used were: bee-key, car-star, goat-boat, dog-frog, train-plane, chair-bear, shell-bell, cat-hat, and truck-duck. It was a fun lesson!

Thank you to everyone who signed up for a conference slot. I look forward to meeting with you. Here is the link again: <https://www.signupgenius.com/go/10C0848ADAE2FA7F49-62350419-spring>

We will learn about zoo animals in March. To reinforce our studies and make connections, we are going on a field trip to the Atlanta Zoo. The date is Friday, March 27th. The tickets are \$14.99 for parents and 3-year-olds (2 and under are free). I need to provide the zoo with a headcount. Please let me know if you and your child will be attending. If you are unable to attend and have a sitter or family member who wants to join with your child, that's totally fine. The more the merrier! Please let me know what your group's count is for the day. Thanks!

Ms. Shannon

Ms. Angie's & Ms. Kelly's Primary Class

International Day was fantastic. Thanks to each of you for making the day so great. The children looked amazing, program was entertaining and informative, and the food was delicious.

We have parent / teacher conferences on March 6th. We will also give some times throughout the week to give you more choices. We love to share with you about your child. There is no school on March 6th. If you need a babysitter for that day, I believe that the adolescence will be offering a camp for that day. Information will come soon for this. The money will go towards their Japan trip. We will send a signup genius out on Wednesday for the conferences.

Birthday lunch for Gray on Thursday. No lunch needed.

Ms. Angie

Ms. Ortrud's & Ms. Rana's Primary Class

International Day was a huge success. The kiddos looked great and did an amazing job sharing everything they learned about Japan. The food that was brought to our feast was delicious. We loved seeing everyone.

Even though International Day is over, there is still lots of wonderful things your child will be learning in the days to come.

Parent/Teacher Conferences will be held on March 6th. There will be a Signup Genius sent out soon, please keep a look out for it. There will be no school on March 6th.

Our next big event will be our Primary field trip March 27th to the Tellus Science Museum in Cartersville.

Please make sure return your child's clear folder by Thursday as we would like to send home all their paperwork that they are proud of completing.

Thank you,

Ms. Ortrud and Ms. Rana

Ms. Robin's Lower Elementary Class

Parents,

Thanks to all of you for providing the delicious lunch and attending our International Day celebration. The students did a great job performing and playing Canadian Jeopardy, and they enjoyed the research and preparation.

Tonight is our important parent education night. Please be here at 6:00pm to learn all about this year's 4-H trip and Science Fair. The 4-H trip will be on March 12-13. Science Fair is on Tuesday, 3/31, so students will need to select topics by February 26th.

We will celebrate Carter's birthday lunch this Friday with a Chick-Fil- A lunch.

We're going back to our regularly scheduled routines; homework will be sent home this week.

Have a good week.

Ms. Robin

Ms. Maggie's Lower Elementary Class

We hope you enjoyed International Day. The students did a great job! Thank you for the delicious lunch items.

Tonight is our Parent Education Night at 6:00 p.m. We will discuss Science Fair and our 4-H field trip so please be sure to attend.

Science Fair proposals are due on Friday, February 27th. Please begin thinking about a project that your child would be interested in.

Birthday lunch for Uriah's 7th birthday will be on Friday, February 27th. No lunches needed on this day.

Our parent conference day is on Friday, March 6th. No school for students on this day. A sign-up sheet for times will be at the Parent Education Night tonight.

Our 4-H field trip to the Alabama 4-H Center is March 12th and March 13th.

Ms. Maggie
