MONTESSORI SCHOOL of ROME

MONTESSORI SCHOLARSHIP

International Student New Admission

The Montessori School of Rome has a scholarship available for international students, Ages 3 years old through 9th grade. Please contact Melanie Montanaro at office@msor.org for details.

Applicants should be academically advanced, creative thinkers, and intellectually curious. We value independence and a positive work ethic!

Knowledge can be best given where there is eagerness to learn, so this is the period when the seed of everything can be sown, the child's mind being like a fertile field, ready to receive what will germinate into culture .

Maria Montessori

I do not believe there is a method better than Montessori for making children sensitive to the beauties of the world and awakening their curiosity regarding the secrets of life."

- Gabriel Garcia Marquez: Author, Nobel Laureate, Montessori Alumnus

"There is a great sense of community within the Montessori classroom, where children of differing ages work together in an atmosphere of cooperation rather than competitiveness. There is respect for the environment and for the individuals within it, which comes through experience of freedom within the community.
