Please remember to send in a dozen candy filled eggs (taped) for our Easter egg hunt this Friday. They will also need a basket or bucket to find eggs in. Please have their name on it!

Remember.....Spring break is next week!!!🌸🙌🌸

Ms. Shannon's Tuesday notes

We are continuing with our farm studies this week. The kids love hearing about the different animals. We've been talking about the names of the babies, what they eat, what we get from them, and of course the sounds they make. We are also making some fun Easter crafts this week.

The Easter egg hunt will be this Friday. Please send in a dozen stuffed and taped eggs and a basket. You can send them in Thursday so they will be here bright and early for the big kids to hide them for us. Parents can attend the egg hunt if they like but if you can't take your little one with you afterwards, please consider if they have a hard time with separation. If you would like to send a special treat for snack on Friday, please let me know.

The Boosters will be providing lunch for the school on Friday! Thank you to the Boosters! This is just one of the awesome things that Boosters do with the money they raise. I hope you had a great time at the auction. Carol Ball, Jamesen's grandmother, won our class project! Thank you, Carol!! Jamesen is enjoying the blocks and I got the sweetest picture of her playing with them.

I hope you enjoy your spring break! I know I will! I'm heading to the beach! See you back on April 2!
