Skip Counting: By 5's

Name _____ Date _____

Count by 5's. Write the missing numbers.

A large, irregular shape resembling a cloud or a path, containing ten numbered boxes for skip counting practice. Each box has three lines for writing: a solid top line, a dashed middle line, and a solid bottom line. The boxes are numbered 1 through 10. Box 1 contains the number 5. The shape is decorated with a smiling sun on the left, several small flowers, and a pot of gold with a rainbow on the right.
