

Tuesday Notes November 20, 2018

Thanksgiving Holidays are November 21, 22, 23 Wednesday, Thursday and Friday!

School Pictures! If you have not turned in your school picture order forms, you may still do so; however, orders received after November 26 may not be back in time for the holidays.

If you are interested in a 16 x 24 canvas of your child's picture, an example is in the lobby. The canvas option is \$95 plus tax. If you place an order on November 26, the canvas will be back for the holidays.

Please mark your pose choice "A" or "B" on the proof order form and make checks payable to Claude Corbin. Please include sales tax. If you want a group class photo, please write it in on the order form with the name of your child's teacher, and include an additional \$10 plus tax.

Field Trip Sam Baltzer's Spirit of the Season November 30 at 9:00.

Who attends? Primary through Elementary. Primary students need to have a family member take them and then bring them back to school.

Time: 9:00 to 10:00.

Cost: \$5.00.

Elementary students should bring in their \$5.00 to their teachers and leave a booster seat here that morning. Primary students and families pay \$5.00 at the Rome City Auditorium that day.

Tuition: Several families utilize online bill pay through their bank. Please make sure that your bank sends the checks for receipt by the 5th of each month. When they are sending paper checks, it sometimes takes up to seven days for us to receive them, making the tuition payment late.

Thank you!

Ms. Ginny and Ms. Pam

Happy Thanksgiving! Thank you so much for all your help with the Thanksgiving feast! We are so happy each day to see your children learn and grow with us. We are grateful for each one of them! Today, we made butter, and they were very excited. Please see the pictures on Facebook.

It's not too late to order school pictures, and there is a beautiful canvas in the lobby which shows what the canvas option looks like.

Enjoy the Thanksgiving holiday with family and friends and stay healthy! We will see you all on Monday, November 26.

Ms. Shannon, Ms. Rachel, and Ms. Kayla

Friday, students received all homework assignments for the week, due Monday the 26th. This includes Wordly Wise, Math, and 'My Side of the Mountain' assignments. Students are encouraged to bring their homework to school with them this week, so they may work on it during class.

The field trip forms and information have been emailed. These are back-to-back on Thursday and Friday of next week. We will need a few extra drivers for both days. If you are interested, please let me know.

Thank you,

Ms. Rebecca
