*Parking Lot:* When you enter the parking lot, please be careful around the Upper Elementary area and please don't go around the cars that are stopped. If your Upper El child is not ready to get out of the car when you arrive at school, please park and walk them back in.

*Observation Windows in all rooms are open. Please come observe the beautiful work your child is completing.*

*Ms. Ginny's Class:* A very big thank you to those parents who participated in our Booster Club fundraiser. Ms. Melanie was so happy to be the high bidder on our classroom art project, and it will soon be displayed in the office!

We are reading lots of stories on transportation and the children are learning all the ways they can get from one place to another. Our favorite songs this month are *The Wheels on the Bus* and *Row, Row, Row Your Boat!*

We are truly enjoying our birthday lunches this month! There is another one coming up next week, Thursday, November 21! We will be celebrating Andi's 3rd birthday with a lunch from Provino's!! NO lunches will be needed this day!!

The sign-up sheet for Thanksgiving is now on our door. We have put 14 different things so hopefully every family will participate. We ended up just putting the nuggets or chicken strips on the sign-up sheet as we were not getting the response we needed. We checked with other classrooms and they were doing the same.

Please make sure your child has extra clothing in his/her box, and also label all jackets/coats as your child wears them!

Thanks for all you do for us!

### *Ms. Shannon's Class:*

We are continuing our studies of transportation this week. We are also talking a little bit about leaves and hibernation this week.

Thank you so much for attending the fall festival on Friday! I hope you had a great time! Thank you also for purchasing your child's art projects to help support our Boosters Club. Congratulations to Juliet's family! They were the winners of our Rome Clock Tower. Thank you so much!! If you still need to purchase your art projects, they are in the office.

Please make sure to label everything that comes to school-especially water bottles and jackets. We have a few who have the same things. Remember we go outside every day for an hour at 10, unless it's below freezing or too wet. Make sure your child is dressed appropriately. Don't forget to switch your child's extra clothes in their cubbies.

The Thanksgiving sign-up sheet will go up soon. Don't forget to sign up and RSVP how many will attend.

### *Ms. Ana Maria:*

Hello!

Here are a few classroom notes:

-The sign-up list for the Thanksgiving feast is posted. Please be sure to come by to sign up for something. The Thanksgiving feast is one of my favorite days. It is always so nice to see everyone.

-It is getting colder. Please be sure to check your child's clothing bin to make sure they have warm clothing.

-We would love to have some Indian corn for our classroom. If you see any at the store, please pick some up for us.

We are currently learning about Native Americans, specially the Cherokee. Next week we will learn about the pilgrims and the voyage on the Mayflower.

Thank you to Seanna's family for buying our class project. And thank you to everyone for supporting the Boosters! I hope you all are enjoying your children's masterpieces.

### *Ms. Rebecca's Class*

Parents:

Thank you all for your participation in the first **MSOR Fall Festival and Art Auction!** Student art is still available for purchase if you were not able to do so last week. Your purchases are essential to the success of the **MSOR Boosters** for the **2019-2020** school year. The Boosters club provides money for classroom materials and supplies, repairs and improvements of outdoor facilities, and perks throughout the school year like in-house field trips and pizza lunches.

We are trying to get back to our regular routine this week and next before the next event, our Thanksgiving Feast! More details to come soon.

Next week, our November outing is a local history tour with the Rome Area History Museum. This will be a half-day event, drivers are needed, field trip shirts required, and we are asking for \$1 donation to the museum. Please look for permission forms going out today. I have attached a copy to this email as well.
