The kids are enjoying our studies in the ocean! Today they enjoyed doing "Ocean" yoga poses!! Ask them to show you a few!!

We are winding down this school year pretty quickly! On Wednesday, May 25 we will have our Splash Day! Please bring your child to school ready to enjoy the water! They need to wear a swimsuit, water shoes or shoes they can get wet, swim diaper if they are not potty trained along with a couple extra in case of accidents, have sunscreen applied before they get to school, bring a towel (name on it) and extra clothes to change in to after all the fun!! Aurora's parents are providing a pizza lunch that day to celebrate her 2nd birthday which happens in the summer!! So, no lunches will be needed on Splash Day. Also we would love a volunteer to provide popsicles for this day for the children. Please let me know if you can bring them.

Friday, May 27 is the last day of school. Your child needs to be picked up at 11:00.

We will have Field Day that morning with fun outdoor games planned.

We have several illnesses in our classroom at the present including hand, foot and mouth and stomach bug. Please keep your child home if showing any symptoms.

Also, don't forget to bring back library books!

Ms. Ginny and Ms. Kelly

## *Ms. Shannon, Ms. Rachel & Ms. Savannah's Class*

We're enjoying our ocean unit. The kids are having so much fun! We had a great conversation about seahorses today. They were really surprised to find out that the daddy seahorse has the babies.

Our butterflies have started emerging! So far we have four, who have come out. The kids have been so fascinated. Thank you so much to Ava's mom, Jenna, for getting them for our class.

I have had some parents ask about graduation. The toddlers do not participate in the graduation ceremony or pictures. That would be a lot to ask of our children. It lasts for over an hour.

We have a few cases of pink eye in our classroom. Please make sure to keep your child home if they have symptoms and take them in to be checked. You can return after being on drops for 24 hours.

The last week of school we will have a few fun days to celebrate the end of the year. On Tuesday, we will play with our parachute and bubbles. We will also have snow cones.

We will have a water/swim day on Wednesday. We will have inflatable pools and water tables for the children. If you have a small pool that we can borrow please let me know. We usually try to get a few of the hard plastic ones for the little ones. Kids should come in ready to get wet. Please make sure to send in a bag with a change of clothes and towel. If your child still wears diapers, please bring them in a swim diaper and send in extras. They can come in crocs or water shoes. Make sure to apply sunscreen before they come to school. Please send in a picnic lunch, such as a sandwich and chips.

On Thursday, we usually do a cleaning day. We scrub the chairs and tables with soapy water to get ready to close the classroom down for the summer. Kids should come in ready to get wet. Please make sure to send in a bag with a change of clothes and towel. They can come in crocs or water shoes. We will celebrate Molly's birthday with a special lunch.

That Friday will be a half day. We will dismiss at 11. Please send in a large bag so that we can send all of their belongings home. If you are not planning on attending that day please let me know.

Ms. Shannon, Ms. Rachel, and Ms. Savannah

Hi everyone!!

I hope that you are enjoying the beautiful weather. The children are enjoying the sunshine and all the insects that they are finding on the playground and patio now. It is hard to believe that we only have 8 more school days. We have a lot planned for next week. I wanted to send out a few reminders for the week.

\*\*\*\*Please check around your home and see if any of our readers or library books are hiding out.

\*\*\*\*If your child has a summer birthday and you would like to celebrate it in our class before the school year ends, please let me know.

\*\*\*\*Graduation is next Thursday, May 26th at Shorter College If you have any questions, please let me know.

\*\*\*\*A signup list for graduation pictures has been sent out through the office.

\*\*\*\*Please have your child wear clothes that they can get dirty in on this Friday. We will be cleaning things outside on the patio and water will be involved.

\*\*\*\*We would like to have an outside day next Wednesday, May 25th. Is there anyone who would like to send in water balloons for that day? It would be greatly appreciated.

\*\*\*\*Would anyone like to send in a treat for any day next week? We are having a bug themed week. Again, greatly appreciated.

\*\*\*\*I still have a couple of time slots available for summer enrichment. Please contact me if you are interested and I can give you more information.

Have a great week!!

We had a fun day using the outdoor classroom on Monday. Our botany studies will continue today- we had so much to do yesterday that we didn't have enough time to complete our fruit dissection activities. Thank you all for sending in fruit; we have a wide variety of fruit to study.

This Friday, May 20<sup>th</sup>, we will celebrate the summer birthdays of Abby and Andrew. We will have chicken nuggets, fruit, and cupcakes. Please send the usual morning snack for your child and anything else that they may need for lunch.

Graduation is Thursday, May 26<sup>th</sup> at the chapel on the Shorter University campus. All lower elementary students will be performing at graduation. 3<sup>rd</sup> year girls need to wear white dresses. 3<sup>rd</sup> year boys should wear khaki pants, a white button-down shirt, and navy blazer. The rest of the students should wear special occasion clothes. Graduation rehearsal is held on Thursday morning at Shorter Chapel. Parents drop children off at rehearsal on that day and drive them home or back to school when we finish. Specific details regarding drop off and pick up times will be forthcoming from the office.

The last day of school will be Friday, May 27<sup>th</sup>. It will be a half day of school. Students will need to be picked up by 11:30 am

Ms. Robin and Ms. Dolores

## *Ms. Stefanie's Class*

Thank you to all the drivers who accompanied us on the field trip to the strawberry farm! We had beautiful weather and the students enjoyed their time picking and eating strawberries and strawberry ice cream. Today, we used some of the strawberries to make strawberry parfaits. I think everyone really liked them as there were requests for seconds and thirds!

We are spending more time out in our garden space lately enjoying the beautiful flowers and observing the growth of strawberries, blackberries, tomatoes, peppers, and herbs. We have also had several birds visiting our feeders. The students are happy to be working outdoors at the picnic tables. However, the mosquitoes are also happy the students are outdoors. If your child does not already have bug repellent at school, you're welcome to send some in to try to keep those pesky mosquitoes away. Please make sure your child knows how to use the repellent and label it with their name.

Graduation will be Thursday evening, May 26<sup>th</sup>. Please be sure to read all the important information from the office regarding this special event. Third year girls need to wear a white dress and third year boys wear khaki pants with a white button-down shirt and navy blazer. This only applies to 3<sup>rd</sup> year students. The 1<sup>st</sup> and 2<sup>nd</sup> year students wear special occasion clothes. We will all be performing a special song together, so please make plans to join us!

Ms. Stefanie

This week, 5th years will participate in their Fire Safety field trip to the fire education building. This will be an enjoyable experience that offers hands-on learning and opportunity to ask as many questions as possible.

Students will take Lesson 16 test in Classical Roots this Friday. Several students need to make-up tests that were missed during the semester. They are being encouraged to take those tests this week.
