

Weekly Notes March 7, 2023

Office Notes

Reminder: Deadline for Reenrollment Paperwork & 2023-2024 Deposit is Friday, March 17th

Ms. Ginny's and Ms. Kelly's Toddler Class

The kids are enjoying visiting the Primary classrooms this week! I'm getting great reports back from the teachers 😊!

We are excited about our farm theme this month and the fun songs like old McDonald had a Farm and The Farmer and the Dell! The children love these two! We are beginning to make a few crafts also!

We are going to make a new work that will need very small artificial flowers. If you have any you are not using, we'd love to have them.

You are doing a great job returning clean clothing the next day after accidents!! Thank you all so much for all you do!

Ms. Ginny & Ms. Kelly

Ms. Shannon's, Ms. Jessica's, and Ms. Kristin's Toddler Class

We are enjoying learning about the farm. We have been talking about the different things that we get from the animals. We also started making a farm "mural" on our class wall. Today we made tractors and cows.

Please remember to label all things that come to school. I have a few jackets and some silverware that I don't know who they belong to. Let me know if you are missing anything. Also please send in a set of season appropriate clothing. I have several cubbies that only have long sleeves.

Thank you to everyone for making time to meet with me. Conferences are such a good time to reconnect. It's hard to believe that we are already so close to the end of the school year. It's such a blessing to work with your children.

Ms. Shannon

Ms. Angie's, Ms. Karabeth's, and Ms. Rana's Primary Class

I hope that you are enjoying the beautiful weather. With the weather changing, please make sure that your child has extra clothes in their cubby box. Please do not forget that the time changes on Sunday, March 12th. We get to SPRING FORWARD. Thanks to all who made it to the conferences. It is such a joy to share with you the awesomeness of your child at school. We are studying deserts and animals that live in the desert. If your child has anything to share, please send it in.

Have a great week!!

Ms. Angie

Ms. Krystle's, Ms. Macy's, and Ms. Trudy's Primary Class

Happy March! Time sure is flying by! Thank you all who came to parent teacher conferences. It is such a joy to share with you the wonderful things your child is learning this year. Your support is monumental.

This month we will be studying the continent of South America. If you have any artifacts or anything you'd like to share with our classroom, please let me know.

This Thursday, 3/9, we will be celebrating Rajveer's birthday with Chick-Fil-A, fruit, and dessert. All your child will need is a water bottle that day.

Please remember to drop your child off in between our drop off times of 8:10-8:20 to ensure we can start our linetime promptly without any interruptions.

Sunday is Daylight Savings Time- spring forward!

Ms. Krystle, Ms. Macy, & Ms. Trudy

Ms. Robin's and Ms. Dolores's Lower Elementary Class

Everyone is excited about our upcoming 4-H trip and science fair!

Thank you so much to all of our parent volunteers who have volunteered to be chaperones and drive.

Students should be working on their science fair projects. The next section due is the observations, which should be turned in next Thursday, 3/16. Please remind your child to make and record observations as they complete their experiments. Any photos or diagrams that are planned for the boards should be turned in with the observations.

March birthday lunches for Dhiren and Jamesen will be celebrated next Friday, March 17th.

Ms. Robin & Ms. Dolores

Ms. Stefanie's Lower Elementary Class

Homework went home on Monday this week, so it will be due Friday instead of Thursday. Students working in the Right Into Reading books should be on lesson 17. Everyone else just needs to complete the next chapter in their books. There were no math packets sent home this week.

The overnight 4H field trip is coming up on Tuesday, March 21st – Wednesday, March 22nd. We are looking forward to all the outdoor fun and learning opportunities! Please remember, if your child is not attending the trip, it will count as unexcused absences & there will be no school held on the school campus for them as all Lower El teachers will be attending the trip.

The "Observations" page from the Science Fair packet was also sent home Monday inside students' green Science Fair folders. If their folder was not at school, then the paper was put in a backpack. The Observations page is due Thursday, March 16th.

Our class plans to assemble the Science Fair boards at school. However, you are welcome to have your student put their board together at home if you would like. If your child is assembling their board at home, I will attach an image to our Tuesday Notes, so you'll be aware of the order of placement. If they are assembling at school, every student will need to bring in a trifold poster board to use for displaying their pages. These need to be brought to class by March 20th. Please make sure to purchase the large size trifold boards rather than the smaller ones. 3rd years will present only to our class on March 27th, 2nd years on March 28th, and 1st years on March 29th. Then, everyone will set their projects up at the Division Street gym the evening of March 30th to present to all students and families. I will bring completed boards to the gym.

Spring break will be here soon! There will be no school Monday, April 3rd – Friday, April 7th. School will resume on Monday, April 10th.

Ms. Stefanie

Upper Elementary Class

Good afternoon,

Science Fair is on Thursday, March 30th from 5:45-7:00 p.m. The Materials and Procedures pages in the Science Fair packet are due this Friday, March 10th. Black tri-fold boards are due in class by March 23rd.

Our field trip to the ECO Center is this Friday from 9:30-11:30. Please turn in your permission slip if you have not done so already. Please let us know if you are available to drive.

Upcoming Events:

- A Fire Safety field trip for the fifth years will be on March 21st. More information as well as a permission slip will be sent out soon.
- Spring Break is April 3rd-7th.
- Our Washington D.C. trip is April 13-15th. We have purchased the tickets and hotel rooms. The students are doing research in class and we are working on securing tours. A meeting to go over all of the details will take place within the month.
