TOTAL: \_\_\_\_\_

**PAY BY CASH, CHECK,  
OR VENMO**

PLEASE RETURN FORM TO MS. JAMIE IN THE OFFICE OR EMAIL TO KWATTAWAY@GMAIL.COM

**As we prepare for reenrollment** there will be lots of paperwork coming home soon! To ensure we only print what is needed, please contact the Office to let us know if you **do not** plan for your child to return to Montessori School of Rome next year (during the 2024-2025 academic year). Thank you!

**Lower Elementary families:** Please mark your calendar for next Thursday, February 22<sup>nd</sup> and make plans to join us for a very important parent meeting from 5:30-6:30pm. We will discuss the annual Science Fair as well as the upcoming 4-H overnight field trip to Fortson. It's imperative that parents be here as there will be lots of important information discussed. Select staff will be available on our playground to provide childcare during the meeting.

**Upper Elementary families:** Please also keep the evening of February 22<sup>nd</sup> open should we decide to combine programs for one big meeting regarding Science Fair. More to come soon!

**Picture Day Make-Ups:** If your child was not present for our Fall picture days, please have him or her dressed to be photographed on Wednesday, February 21<sup>st</sup>. The weather is expected to cooperate and we will have Mark Law on site taking photos. Thank you!

### *Ms. Ginny's and Ms. Kelly's Toddler Class*

We had so much fun at International Day. Thank you to all the parents that brought food items and came to enjoy our program. We enjoyed learning about Scotland.

Remember no lunches are needed on Wednesday. We are having a pizza party for Valentine's Day. Please send in \$4 if you have not already! You may also Venmo Ms. Kelly (@kelly-dougherty-2526) if that is easier!

Also, no lunches are needed on Friday, February 16. We will celebrate Arthur's 2nd birthday with a lunch provided by his mom and dad.

We will send out a link for conference sign-ups. Please plan on signing up for a short Spring conference next week.

Ms. Ginny

### *Ms. Shannon's, Ms. Kristin's, and Ms. Rachel's Toddler Class*

Thank you all so much for your help and support this past week. It was wonderful to see you all here for International Day. I think the children enjoyed having you here and eating the yummy food.

We will celebrate Valentine's Day on Wednesday. Please bring in 20 small Valentine cards addressed from your child. They will deliver them to their friend's bags that we will make. If you would like to send in a special treat for snack time that day please let me know.

Ms. Shannon

## *Ms. Angie's, Ms. Karabeth's, and Ms. Ribar's Primary Class*

Hello everyone!!

It has been a busy week and now International Day is over. It was amazing and the kiddos were awesome. They looked great and they loved singing. The food was delicious and it was wonderful to see so many parents/ grandparents join us for lunch. Thank you to each of you for making Argentina a memorable experience Loved it!!!

We will celebrate Valentine's Day on Wednesday, February 14th. We have 26 children in our class. You may send in your cards any day before Wednesday and only fill out the "from" part of it. You may send in small goodies and we will make sure that they get some home as well. If you would like to send in a treat for our class to have after lunch on Wednesday, please let me know.

Please be sure that your child has extra clothes that are weather appropriate in his bin at school. Label all outer garments that your child wears to school. We have several jackets left in the closet on a daily basis.

Have a great weekend!!

Ms. Angie

## *Ms. Ortrud's, Ms. Camela's, and Ms. Trudy's Primary Class*

Dear Parents,

Thank you to you and your children for making International Day successful and so much fun.

A special thank you to Ammani and Krupa for supplying all the wonderful food. It made for a truly authentic experience.

Thank you also to all of you who helped with supplies, set up, serving and clean up.

It was a great community event.

Wednesday is Valentine's Day and I know many of the children will want to share Valentines with their friends. We currently have 27 students, but please do not write each child's name on the Valentines.

If anybody would like to bring in a special treat for the class to share for snack, please let me know.

Ms. Ortrud

## *Ms. Robin's, Ms. Dolores's, and Ms. Rana's Lower Elementary Class*

Asante sana to all of our parents who cooked a delicious Tanzanian feast and visited our classroom for International Day! Our classroom looked amazing thanks to the creative talents of Kim Headrick, Ms. Rana, and all of our students.

Science fair packets have been sent home; project proposals are due next Thursday, 2/22.

We will have a Valentine exchange on Wednesday before dismissal. If they want to participate, students should bring unaddressed Valentines for 25 students and a bag for collecting Valentines. Please let us know if you would like to send a Valentine's Day treat for the class dessert.

Have a great week!

Ms. Robin, Ms. Dolores, and Ms. Rana

## *Ms. Kathleen's Upper Elementary Class*

Dear families,

Last week was a busy week. International Day presentations were wonderful as was the Egyptian lunch. Thank you all for your contributions and to Ms. Stephanie for organizing the menu and managing the feast.

If your child would like to keep studying about this ancient civilization (as some of the students announced) maybe consider ['Ancient Egypt: The Definitive Visual History \(DK Classic History\)'](#) which we used as a rough guide in school.

During the coming weeks, we will have our guest speaker from 4H come into the classroom. We will focus on subjects such as zoology, botany and geography, as well as anatomy, slowly leading us to the science fair in April.

Ms. Shemi will be working with small groups regarding Science Fair. Keep an eye out for project proposal packets and deadlines to be announced soon.

Thank you so much and have a good week,

Upper Elementary Guides
